

## § 583.200

must submit a certification that the application for funding is consistent with the HUD-approved consolidated plan. Funded applicants must certify in a grant agreement that they are following the HUD-approved consolidated plan.

(b) *Applicants that are not States or units of general local government.* The applicant must submit a certification by the jurisdiction in which the proposed project will be located that the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made by the unit of general local government or the State, in accordance with the consistency certification provisions of the consolidated plan regulations, 24 CFR part 91, subpart F.

(c) *Indian tribes and the Insular Areas of Guam, the U.S. Virgin Islands, American Samoa, and the Northern Mariana Islands.* These entities are not required to have a consolidated plan or to make consolidated plan certifications. An application by an Indian tribe or other applicant for a project that will be located on a reservation of an Indian tribe will not require a certification by the tribe or the State. However, where an Indian tribe is the applicant for a project that will not be located on a reservation, the requirement for a certification under paragraph (b) of this section will apply.

(d) *Timing of consolidated plan certification submissions.* Unless otherwise set forth in the NOFA, the required certification that the application for funding is consistent with the HUD-approved consolidated plan must be submitted by the funding application submission deadline announced in the NOFA.

## Subpart C—Application and Grant Award Process

### § 583.200 Application and grant award.

### § 583.230 Environmental review.

(a) Activities under this part are subject to HUD environmental regulations in part 58 of this title, except that HUD will perform an environmental review in accordance with part 50 of this title prior to its approval of any conditionally selected applications for Fiscal Year 2000 and prior years that were received directly from private non-profit entities and governmental entities with special or limited purpose powers. For activities under a grant that generally would be subject to review under part 58, HUD may make a finding in accordance with § 58.11(d) and may itself perform the environmental review under the provisions of part 50 of this title if the recipient objects in writing to the responsible entity's performing the review under part 58. Irrespective of whether the responsible entity in accord with part 58 (or HUD in accord with part 50) performs the environmental review, the recipient shall supply all available, relevant information necessary for the responsible entity (or HUD, if applicable) to perform for each property any environmental review required by this part. The recipient also shall carry out mitigating measures required by the responsible entity (or HUD, if applicable) or select alternate eligible property. HUD may eliminate from consideration any application that would require an Environmental Impact Statement (EIS).

(b) The recipient, its project partners and their contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish or construct property for a project under this part, or commit or expend HUD or local funds for such eligible activities under this part, until the responsible entity (as defined in § 58.2 of this title) has completed the environmental review procedures required by part 58 and the environmental certification and RROF have been approved or HUD has performed an environmental review under part 50 and the recipient has received HUD approval of the property. HUD will not

release grant funds if the recipient or any other party commits grant funds (*i.e.*, incurs any costs or expenditures to be paid or reimbursed with such funds) before the recipient submits and HUD approves its RROF (where such submission is required).

#### § 583.235 **Renewal grants.**

(a) *General.* Grants made under this part, and grants made under subtitles C and D (the Supportive Housing Demonstration and SAFAH, respectively) of the Stewart B. McKinney Homeless Assistance Act as in effect before October 28, 1992, may be renewed on a non-competitive basis to continue ongoing leasing, operations, and supportive services for additional years beyond the initial funding period. To be considered for renewal funding for leasing, operating costs, or supportive services, recipients must submit a request for such funding in the form specified by HUD, must meet the requirements of this part, and must submit requests within the time period established by HUD.

(b) *Assistance available.* The first renewal will be for a period of time not to exceed the difference between the end of the initial funding period and ten years from the date of initial occupancy or the date of initial service provision, as applicable. Any subsequent renewal will be for a period of time not to exceed five years. Assistance during each year of the renewal period, subject to maintenance of effort requirements under § 583.150(a) may be for:

(1) Up to 50 percent of the actual operating and leasing costs in the final year of the initial funding period;

(2) Up to the amount of HUD assistance for supportive services in the final year of the initial funding period; and

(3) An allowance for cost increases.

(c) *HUD review.* (1) HUD will review the request for renewal and will evaluate the recipient's performance in previous years against the plans and goals established in the initial application for assistance, as amended. HUD will approve the request for renewal unless the recipient proposes to serve a population that is not homeless, or the recipient has not shown adequate progress as evidenced by an unaccept-

ably slow expenditure of funds, or the recipient has been unsuccessful in assisting participants in achieving and maintaining independent living. In determining the recipient's success in assisting participants to achieve and maintain independent living, consideration will be given to the level and type of problems of participants. For recipients with a poor record of success, HUD will also consider the recipient's willingness to accept technical assistance and to make changes suggested by technical assistance providers. Other factors which will affect HUD's decision to approve a renewal request include the following: a continuing history of inadequate financial management accounting practices, indications of mismanagement on the part of the recipient, a drastic reduction in the population served by the recipient, program changes made by the recipient without prior HUD approval, and loss of project site.

(2) HUD reserves the right to reject a request from any organization with an outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed to, or whose response to an audit finding is overdue or unsatisfactory.

(3) HUD will notify the recipient in writing that the request has been approved or disapproved.

(a) *State and local requirements.* Each recipient of assistance under this part must provide housing or services that are in compliance with all applicable State and local housing codes, licensing requirements, and any other requirements in the jurisdiction in which the project is located regarding the condition of the structure and the operation of the housing or services.

(b) *Habitability standards.* Except for such variations as are proposed by the recipient and approved by HUD, supportive housing must meet the following requirements:
